

Joining Gold Shovel Standard

Gold Shovel Standard provides third-party confirmation of baseline Safety Management Systems for the protection of buried assets. Our vision is to create a safer North America through our efforts in training and education, and creating metrics for damage prevention.

Gold Shovel Standard makes the process of certification easy, and we walk you through the safety training and damage and activity reporting requirements.

Four Easy Steps

To become part of Gold Shovel Standard today, start by filling out our registration form here: <https://app.goldshovelstandard.com/Account/Register>

Follow the email prompt to confirm your account.

Then, click on the link and sign-in.

Once you have activated and signed-in to your account, fill out the forms and provide the requested documentation. We will contact you if anything is missing or there are gaps in the application. Once the materials have been reviewed, you will receive Gold Shovel Standard certification.

It's as simple as that.
